

## PRODUCT DATA SHEET

### NUTRIDET

Revision date: 04/11/2021

Page 1 of 2

#### 1. General Description

- Nutridet is an economical dishwashing cleaner.
- Nutridet is very cost-effective and can also be used as a general cleaner.
- It is pH neutral and is safe on all surfaces.
- Nutridet carries the SABS SANS 1828 certification mark and is suitable for use in the food industry. It is not fragranced and suitable for use in all kitchens.

#### 2. Advantages and Features

- Nutridet is safe to use on all surfaces including sensitive surfaces.
- Nutridet is a viscous liquid that makes it easy to dispense from a pump dispenser.
- Nutridet is high-foaming and non-toxic.
- Nutridet emulsifies grease rapidly.
- Nutridet is fully biodegradable
- It is not fragranced and suitable for use in all kitchens.

#### 3. Application

- Nutridet should be diluted with water and the strength should be adjusted according to the amount of dirt present.
- Dishwashing - Household kitchen sink (20 Litres of water) - Use approximately 60 ml
- Dishwashing - Commercial Sink (80 litres of water) - Use approximately 240 ml
- Above the floor surfaces: Damp wiping using a spray bottle application with microfiber cloth.
- Floors: Wet mopping with a microfiber mop and bucket system
